TERMS:

Cash with order. I pay the transportation charges. Where bulbs and bulblets are not otherwise listed, you may have one at ninth of 10 rate; 10 at ninth of 100 rate; 100 at ninth of 1000 rate; 5000 at $4\frac{1}{2}$ times 1000 rate; 25 at 100 rate; 250 at 1000 rate.

ALL ORDERS are accepted subject to prior sale, and are shipped either postpaid or express prepaid. Orders of very large value are usually sent by express, for the express company insures safe delivery—even against freezing.

SUBSTITUTIONS: If I am out of the size of bulb ordered, I will give larger quantity of the same variety in the next smaller size I have in stock, unless you request me not to do so. I do not substitute one variety for another unless you so request.

BANK REFERENCE: First National Bank and United States National Bank of Portland, Oregon.

YOU CAN SAVE MONEY by sending me a list of your requirements, stating varieties of Gladioli, quantities and sizes of each which you contemplate purchasing. I can probably make you a special price on the ENTIRE LOT. You'll be surprised how much you can save this way. In this connection I would suggest you place your order in the Fall, when stocks are complete.

IF YOU ARE GROWING GLADS FOR PROFIT I would suggest you order the book, "Making Them Grow," by Merton G. Ellis. Many say it is worth hundreds of dollars to the grower wishing to quickly increase his stock of the new and higher-priced varieties. Price, \$3.50 per copy, postpaid; or Free with Gladiolus orders of \$50 or more.

ABBREVIATIONS in this circular: Introducers, originators or places of introduction: (K)—Kunderd, (D)—Diener, (M)—Metzner, (Bill)—Gladiolus Bill, (C)—Coleman, (Eu)—Europe.

REGARDING "EXTRAS": As stated previously I am likely to give generous overcount in filling orders. Very often also I give something "gratis." Therefore if there is some variety you particularly "crave," TELL ME ABOUT IT. It's not always possible to give the very "extra" you want, but sometimes it is. Anyhow, I'm glad to have you express your preference in this regard.

NOTE: A few of the varieties listed in my ad in the October "Flower Grower" I find I am going to be short of, and have therefore not listed them in this circular.

ALL THE VARIETIES listed herein are choice. It would, in fact, take pages of descriptive matter to explain just HOW choice they are; but I want to refer particularly to Merton G. Ellis' very new origination—PRIDE OF PORTLAND. A very lovely thing! It is so fine that I'll admit I was surprised he didn't put the price way up in the hundred dollar class. If you saw this beautiful pink "Glad" you'd find it hard to resist buying it.

DELPHINIUM SEED: Wrexham Strain of Delphinium. Large unusual flowers. Per Packet.....\$1.00
